Cultured Marble Manufacturer

Emissions/Changes in Emissions

Emissions of Particulate Matter, and Hazardous Air Pollutants (Styrene, Methyl Methacrylate, Methylene Chloride)

Any person who may be adversely affected by the requested permit/revision may offer oral or written objection to the terms of or issuance of such permit/revision, and may request a public hearing. Grounds for comment are limited to whether the proposed permit/revision meets the criteria for issuance prescribed in statute or rule. Objections or comments may be mailed to the District at the address at the top of this notice, or may be hand delivered to the District at the physical address shown below, or may be expressed at a hearing if one is requested. Written comments shall identify the person objecting, be signed, and clearly set forth reasons why the permit should or should not be issued. Objections, comments or a request for hearing are due during the public comment period, which ends upon the latter of thirty (30) days from the first publication of this notice (i.e. no later than December 15, 2017), or close of business on the date of any hearing that may be held.

The permit/revision application package, including a draft permit/revision, and comments and objections received, is available for inspection at the offices of the Pinal County Air Quality Control District, 31 N. Pinal Street, Building F, Florence, AZ during the hours of 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding Holidays. Any questions regarding the proposed permit or the hearing may be directed to the District at (520) 866-6929.

Michael Sundblom, Director
