Community Applicator Certification Training

This Community Applicator certification training is:

- **Only** applicable to employees of a Community governmental entity or a GRIC Community member.
- Required within the GRIC for those applicators that use or supervise the use of **general use** pesticides and are without other recognized pesticide applicator credentials.
- A great initial training if you are interested in becoming a professional pesticide applicator.

The one day certification training is comprised of ten (10) training modules:

Pest Management & the IPM Philosophy

Pesticide Laws

Pesticide Labeling

Pesticide Formulations

Hazards, First Aid, & Response to Pesticide Emergencies

Pesticides & the Environment

Personal Protective Equipment

Transportation & Storage of Pesticides

Planning Pesticide Applications

Pesticide Applications

At the successful completion of this course, the attendee will receive their Community Applicator certification card and meet the requirements of the Community's Pesticide Code for general use pesticide applicators within the Gila River Indian Community.

Registration:

Each attendee must submit a completed Community Applicator Certification application **and** attach a photocopy of a GRIC Government Department or Enterprise Employee ID, or GRIC tribal member ID. Priority registration will be given to those applicators who must attend to ensure compliance with GR-05-14.
