Notices to Consumers Requirements (GR-05-14, Section 18.326)

Immediately following an application, Non-agricultural pest management businesses shall provide a written notice to a customer for whom the applicator provides a pest management service that contains the following:

- Name and address of the customer;
- Specific site to which a pesticide was applied;
- Date of service;
- Target pest or category of service;
- Trade name of pesticide applied;
- EPA registration number of restricted use pesticide applied;
- Amount of pesticide applied, in terms of percent active ingredient and volume of diluted mixture or in terms of total amount of liquid concentrate, ready-to-use product, granular material, or bait stations;
- Name and certification number of the applicator or if the applicator is uncertified, the name of the uncertified applicator and the name and certification number of the applicator providing supervision; and
- Following statement printed in at least an eight-point font and shall include the words:

"WARNING - Pesticides can be harmful. Keep children and pets away from pesticide applications until dry, dissipated, or aerated. For more information contact [applicator's name and certification number] at [applicator's telephone number]."

The applicator may provide the notice required above electronically.
