Wood Destroying Insect Action Report Requirements (GR-05-14, Section 18.337)

Within 30 days of completion of a treatment project, the pest management business shall report to the Office, on a form approved by the Office, the following data:

- The name and certification number of the certified applicator that performed the treatment project. If the applicator was not a certified applicator then the name and certification number of the certified applicator that supervised the treatment;
- Address or location of the treatment project;
- Name of the pest management business;
- Type of treatment;
- Target pest; and
- Any other information as required by the Office.
